*LOCAL GOVERNMENT ACT 1995 CAT ACT
2011*

SHIRE OF MANJIMUP

CAT AMENDMENT LOCAL LAW 2022

PART 1—PRELIMINARY

Under the power conferred by the *Local Government Act 1995*, the *Cat Act 2011* and all other powers enabling it, the Shire of Manjimup resolved on 2 March 2023 to make the following local law.

1.1 Citation

This local law may be cited as the *Shire of Manjimup Cat Amendment Local Law 2022*.

1.2 Commencement

This local law comes into operation 14 days after the date of its publication in the *Government Gazette*.

PART 2—AMENDMENTS

2.1 Shire of Manjimup Cat Local Law 2022 amended

This Part of the local law amends the *Shire of Manjimup Cat Local Law 2021* as published in the *Government Gazette* on 16 April 2021.

2.2 Clause 4.3 amended

Clause 4.3 is amended to delete the words “3 or more” and are replaced with “more than two”.

2.3 Schedule 3—Areas Where Cats Are Prohibited Absolutely amended

- a) In the thirty-third row, of the column titled “Lot Number” the numbers 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 16, 17, 18, 19, 20, 21, 22, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52 are added.
- b) In the thirty-third row, of the column titled “Common Name”, the words “Allen Road” are deleted and are replaced with “The entire Tingleview Estate”.

Dated 2nd day of March 2023.

The Common Seal of the Shire of Manjimup was affixed by authority of a resolution of the Council in the presence of-

P. OMODEI, Shire President

A. CAMPBELL, Chief Executive Officer

Jason Giadresco

From: Steven Elliott

Subject: Department of Local Government - Comments on proposed cat amendment local law

Dear Mr Giadresco,

This email is in relation to the Shire's proposed amendment local law. The Department's comments are provided below:

Cat Amendment Local Law 2022

1. Statutory compliance - Copy of public notice required

When considering the draft local law, it was noted that a copy of the public notice did not appear to be enclosed with the Minister's letter.

Under section 3.12 of the *Local Government Act 1995*, the Minister requires a copy of both the advertised draft and the advertisement itself. The Shire should ensure that a copy of the public notice is provided to the Minister prior to the final draft being submitted to council.

Alternatively, if the draft is yet to be officially advertised for public comment, the Shire should ensure that both the advertised version and the advertisement itself are supplied to the Minister once they are available.

2. Cat prohibited areas

On inspection, several of the areas specified in the amendment to Schedule 2 appear to be referencing housing estates. It is uncertain whether these lots are private residential lots or alternatively, whether they represent common areas such as parks or gardens.

While the *Cat Act 2011* states that a local law can declare an "area" to be cat-prohibited, it is uncertain whether Parliament intended this power to be used in relation to land which a local government doesn't own or manage.

In particular, the declaration of a residential lot as a cat-prohibited area would effectively prevent the landowner from owning a cat on their own property, even if the cat were otherwise registered and microchipped.

The Department is aware that the Delegated Legislation Committee allowed the Shire's principle local law, which also referred to housing estates. Nevertheless, the current Committee is not bound by previous decisions. If the properties listed in the Schedule are private residences, there is a possibility the Committee may choose to raise concerns.

Alternatively, if the lots are not private residences, but rather parks and common areas, the Shire may wish to include additional supporting info clarifying this when the law is submitted to the Committee.

3. Minor edits

The following minor edits are suggested:

- ☐ After the local law's heading but prior to clause 1.1, it is suggested that the following enactment provision be inserted:

Under the power conferred by the *Local Government Act 1995*, the *Cat Act 2011* and all other powers enabling it, the Shire of Manjimup resolved on (date) to make the following local law.

The date in the enacting provision should be the date of the meeting on which the final draft is submitted to the council and made into law.

- ☐ **Clause 1.1:** Change the citation to italics.
- ☐ **Clause 1.2:** Change "Government Gazette" to italics.
- ☐ **Clause 2.3:** On the line immediately after paragraph b) delete "c)".

Minister's Directions – pursuant to s 3.12(7) of the Local Government Act 1995

Please note: once the Shire has published a local law in the *Government Gazette*, the Shire must comply with the requirements of the Minister's *Local Laws Explanatory Memoranda Directions 2010*. The Shire must, within 10 working days of the Gazette publication date, forward the signed Explanatory Memoranda material to the Committee at the current address:

Committee Clerk
Joint Standing Committee on Delegated Legislation
Legislative Council Committee Office
GPO Box A11
PERTH WA 6837
Email: delleg@parliament.wa.gov.au
Tel: 9222 7404
Fax: 9222 7805

A copy of the Explanatory Memoranda forms can be downloaded from the Department of Local Government, Sport and Cultural Industries website at www.dlgsc.wa.gov.au. A copy of the Directions is also available at the Committee's webpage at the Parliament WA website. Failure to comply with the Directions may render the local law inoperable.

Please note that my comments:

- ☐ have been provided to assist the Shire with drafting matters in relation to the local law;
- ☐ do not constitute legal advice;
- ☐ have been provided in good faith for the Shire's consideration; and
- ☐ should not be taken as an approval of content.

The Shire should ensure that a detailed editorial analysis of the proposed local law has been undertaken and that the content of the local law is in accordance with the Shire's policies and objectives.

Kind regards

Steven Elliott
Senior Legislation Officer

Subdivision and development is to be generally in accordance with the Subdivision Guide Plan which formed part of Amendment 25 to Town Planning Scheme No 2, or a subsequent Structure Plan endorsed by the local government and the Commission in accordance with part 6.4 of the Scheme <p>Fire Control</p> <ol style="list-style-type: none"> 5. Within the Fuel Reduction Area identified in the endorsed Structure Plan, all substantial vegetation capable of creating a fire hazard will be removed to the satisfaction of local government, the Fire and Emergency Services Authority of Western Australia and DEC. 6. Within the area identified on the endorsed Structure Plan as subject to Parkland Clearing, the density of substantial vegetation will be reduced to a level satisfactory to local government, the Fire and Emergency Services Authority of Western Australia and DEC. 7. Ongoing management of the Fire Breaks, Fuel Reduction Area, Area Subject to Parkland Clearing and other fire control measures required by the Bush Fires Act is the responsibility of individual lot owners. 8. Dwellings to be sited at least 100 metres from the northern firebreak to avoid risk of damage by falling trees as a result of fire or other natural forces in the adjoining State Forest. 9. The boundary between the parkland clearing and fuel reduction area adjoining the National Park to be maintained for use as a fire containment break or pasture which will serve as a firebreak for fuel reduction burning to the satisfaction of the DEC. 10. Ungrazed bush within the Bushland Retreat Area should be subject to prescribed burning in line with the Shire of Manjimup Fire Protection Plan.

Hon John Carey MLA
Minister for Housing; Lands; Homelessness; Local Government

Our ref: 78-11008

President Paul Omodei
Shire of Manjimup
PO Box 1
MANJIMUP WA 6258

3 FEB 2023

Dear President Omodei

ARRANGEMENTS FOR THE UPCOMING OCTOBER 2023 ORDINARY ELECTIONS

As you know, the State Government is continuing to work with the local government sector to deliver the most significant package of local government reforms in more than 25 years. These reforms include several measures to strengthen local democracy and increase community engagement, including new requirements for:

- the introduction of optional preferential voting for all local government elections;
- directly-elected Mayors and Presidents for all Band 1 and 2 local governments;
- the abolition of wards for all Band 3 and 4 local governments; and
- aligning the size of councils with the size of the population of each district.

In September 2022, I wrote to all local governments to outline the implications of the reforms for each council, and pathways for implementing required changes. Since then, the majority of impacted councils have been working to consider how best to transition in changes. Many councils have since completed Ward and Representation Reviews, while others will have more substantial changes implemented through reform elections, or minor changes made to apply by default.

I would like to acknowledge and thank local governments for the constructive and proactive way they have approached this forward planning.

Further to my previous letter, the State Government is continuing to work to implement election reforms ahead of the October 2023 Ordinary Elections. The reforms will introduce Optional Preferential Voting (OPV) for all local government elections. OPV is similar to preferential voting used in State and Federal Elections, and for local government elections in every other Australian state. OPV provides that electors can preference as many or as few candidates as they decide, and there will be no transfer of preferences other than the preferences electors mark on their ballot paper.

The reforms will also include related new changes for the backfilling of vacancies, including:

- in the event that a member of the council is directly elected as the Mayor or President, the consequent vacancy can be filled by the next highest-polling candidate through the relevant district or ward council election held on the same day;
- if a vacancy arises within one year of a council member being elected at an ordinary election, that vacancy may be filled by the next highest-polling candidate; and
- the timeframes for which certain vacancies can remain unfilled ahead of an upcoming ordinary election will also be extended.

Together, these reforms will greatly reduce the need for extraordinary elections, saving costs for ratepayers and administrative burden for local governments in the longer term. However, these changes will require specific attention on election night, and returning officers will need to identify the candidates who are next in line to fill further vacancies for inclusion on the declaration of results.

Accordingly, I am writing to encourage all local governments to commence early planning for the practical arrangements for the conduct of the October 2023 Ordinary Elections.

As you would know, the council may declare the Electoral Commissioner as responsible to conduct postal elections under sections 4.20 and 4.61 of the *Local Government Act 1995* (the Act). Section 4.28 of the Act further provides that the local government is to meet the costs incurred by the Western Australian Electoral Commission (WAEC) in conducting such elections.

Alternatively, if council decides that the CEO (or other appointee) is to be the returning officer, local governments will have the option to purchase a licence for access to the WAEC's CountWA software to facilitate the counting of votes. CountWA software is used to count votes in State Elections, and involves data entry of preferences indicated on ballot papers. This provides for preferences to be counted and re-counted using the software.

If a local government decides to license the software instead of appointing the Electoral Commissioner to conduct the election, the CEO (or other appointee) will remain wholly responsible for the conduct of the count, the use of the software, the introduction of the new OPV counting and backfilling provisions, and dealing with any disputes or complaints. The WAEC will only be able to provide general assistance on accessing and using the software.

The WAEC will shortly be writing to all local governments to provide information for each council. The WAEC can also provide further information on each of these options. Please contact Phil Richards, Manager Election Events on 9214 0443 or at Phillip.Richards@waec.wa.gov.au if you have any queries.

It is strongly recommended that the decision for whether to declare the Electoral Commissioner as responsible for your election is put to Council at its March meeting. This will allow sufficient time for the WAEC to work with you to deliver the election, or provide you with a software licence, if preferred.

In considering potential arrangements, local governments should be mindful that the WAEC will require sufficient lead time to plan ahead. Accordingly, I strongly urge all local governments to make arrangements as early as possible, and consider the appointment of the WAEC to conduct the elections.

The Department of Local Government, Sport and Cultural Industries (DLGSC) is working closely with the WAEC to prepare further materials to assist local governments with the implementation of reforms. The DLGSC will provide further updates through LG Alerts to the sector and on the DLGSC's website. The DLGSC is also available to assist with any queries, including by email at lghotline@dlgsc.wa.gov.au or by phone on 1300 762 511.

Yours sincerely

HON JOHN CAREY MLA
MINISTER FOR LOCAL GOVERNMENT

LGE 028

Mr Andrew Campbell
Chief Executive Officer
Shire of Manjimup
PO Box 1
MANJIMUP WA 6258

Dear Mr Campbell

Local Government Ordinary Election: 2023

The next local government ordinary elections are being held on 21 October 2023. While this is still some distance in the future, I have enclosed an estimate for your next ordinary election to assist in your 2023/2024 budget preparations.

The estimated cost for the 2023 election if conducted as a postal ballot is \$54,000 inc GST, which has been based on the following assumptions:

- 7,050 electors
- response rate of approximately 55%
- 4 vacancies
- count to be conducted at the offices of the Shire of Manjimup
- appointment of a local Returning Officer
- regular Australia Post delivery service to apply for the lodgement of the election packages.

An additional amount of \$1,525 will be incurred if your Council decides to opt for the Australia Post Priority Service for the lodgement of election packages.

179916

Level 2, 111 St Georges Terrace PERTH WA 6000
GPO Box F316 PERTH WA 6841

T | (08) 9214 0400
F | (08) 9226 0577

E | waec@waec.wa.gov.au
W | www.elections.wa.gov.au

The Commission is required by the *Local Government Act* to conduct local government elections on a full cost recovery basis and you should note that this is an estimate only and may vary depending on a range of factors.

Costs not incorporated in this estimate include:

- any legal expenses other than those that are determined to be borne by the Western Australian Electoral Commission incurred as part of an invalidity complaint lodged with the Court of Disputed Returns
- the cost of any casual staff to assist the Returning Officer on election day or night
- any unanticipated costs arising from public health requirements for the COVID-19 pandemic.

As you are aware, the Government is currently considering reforms to the *Local Government Act 1995*, which include how elections are to be conducted. In order to assist with your local government's budget planning, we have included, to the best of our knowledge, costs that will arise from the changes proposed in legislation. For example, if under the amendments your local government will be required to conduct a mayoral/presidential election this has been included.

Some local governments may also note an increase in costs from their 2021 ordinary costs. These include increases arising from inflation in recent years affecting salaries for Returning Officers and other staff, printing and packaging costs as well as the increase in postage announced by Australia Post. Additional costs from the Commission have been included arising from improved processing procedures and additional resources to supplement the Commission's education, complaints management, investigation and legal efforts.

In order for the Commission to be responsible for the conduct of your election, the first step required by the *Local Government Act 1995* is my written agreement to undertake the election.

As such, you may take this letter as my agreement to be responsible for the conduct of the ordinary elections in 2023 for the Shire of Manjimup in accordance with section 4.20(4) of the *Local Government Act 1995*, together with any other elections or polls that may also be required.

My agreement is subject to the proviso that the Shire of Manjimup also wishes to have the election undertaken by the Western Australian Electoral Commission as a postal election.

In order to achieve this, your council would need to pass the following two motions by absolute majority:

- Declare, in accordance with section 4.20(4) of the *Local Government Act 1995*, the Electoral Commissioner to be responsible for the conduct of the 2023 ordinary elections together with any other elections or polls which may be required
- Decide, in accordance with section 4.61(2) of the *Local Government Act 1995* that the method of conducting the election will be as a postal election.

It would be greatly appreciated if this item was considered at your March council meeting, to enable the Commission to have sufficient time to work with you to effectively conduct the election.

I look forward to conducting this election for the Shire of Manjimup in anticipation of an affirmative vote by Council. If you have any further queries please contact Shani Wood Director, Election Operations on 9214 0400.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'R Kennedy', is positioned above the printed name.

Subject: [External] Comments on lot 501, 75 Johnson st

Hello,

Our property has a boundary with the proposed holiday accommodation on 75 Johnson St. We are suffering from poore drainage due to the land behind our property being raised for the development. Our neighbour also suffers from the same problem. Water collects on our properties and our septic tank is unable to function properly due to it being filled with ground water. Raising a health issue.

A proper drainage system has to be considered as this was not an issue till the earthworks began.

Regards,
Warren

THE SHACK BUILDING CO

To:

The Manager

Statutory Planning

Shire of Manjimup

Attention : Jocelyn Baister

Your ref: F160629 P52419

8th November 2022

Dear Jocelyn,

We attended site today after becoming aware of the letter sent by council to Helen in June. It is unclear what led to the movement of the residence away from one boundary and towards another.

We have had discussions with the contractors involved and there is no consensus as to the reasons behind the relocation of the home as opposed to that shown on the site plan. The elevation of the sand pad may have been a contributing factor, if indeed there was a conscious choice made at the time. It may simply be human error when sighting boundaries etc.

I have enclosed a new DA form to allow for council to consider their next actions and will pay for the variation costs once advised of these.

Please feel free to contact me if any further clarification or information is required.

Kind Regards

Dave Evans

Subject: [External] Comments on setback reduction LOT 10,17 Bottlebrush Drive Walpole

Chief Executive Officer.

The setback reduction is too close to the boundary and existing sewerage line. Also, the height of the existing building is very intrusive into Neighbours back yards. If the proposed setback goes ahead, it will allow other buildings to be built. We don't live on small 400 sq meter blocks like in some big Citys. This is not acceptable in this Area I would appreciate more time to get professional advice on this matter.

Yours sincerely Eric Lindsay.

Subject: [External] DA22/197 P52419 Comments on setback reduction Lot 10,17 Bottlebrush Drive Walpole
Attachments: 20211023_075034.jpg

Chief Executive Officer.

Further comments on my email on 23/12/2022 I would like to add that lot 340 16 Sheoak Street Walpole [my place] is on the market as off 4/12/2022 So far 2 prospective buyers have been through, and I feel the building on the back boundary may have turned one lot off as one referred to it as horse stables. I also feel my property has been devalued to a degree.

yours sincerely Eric Lindsay

ALL SECTIONS MUST BE COMPLETED

To be completed in addition to the Application for Development Approval Form

Description of property upon which the Dam is to be proposed including full details of its proposed position within that property:

170 ACRES
 DAM WILL BE ON ONE SMALL PLE OF APPROX 8 ACRES OR
 INCLUDED INTO TITLE # 7822 IF AMALGAMATED.

(a) Purpose of the Dam:

IRRIGATION

(b) Which of the following definitions best describe the proposed dam?

- ☐ On-Stream Dam – Means a dam located across a watercourse
☐ Off-Stream Dam – Means a dam not located across a watercourse but into which water is fed from a watercourse.
☒ Catchment Dam – Means a dam not located across a watercourse which receives rainfall and/or groundwater seepage only.

Please note that Department of Water and Environmental Regulation (DWER) approval may be required if the proposed dam captures water from an existing streamline. Contact your local DWER office.

(c) What is the proposed capacity of the dam?

15 ML

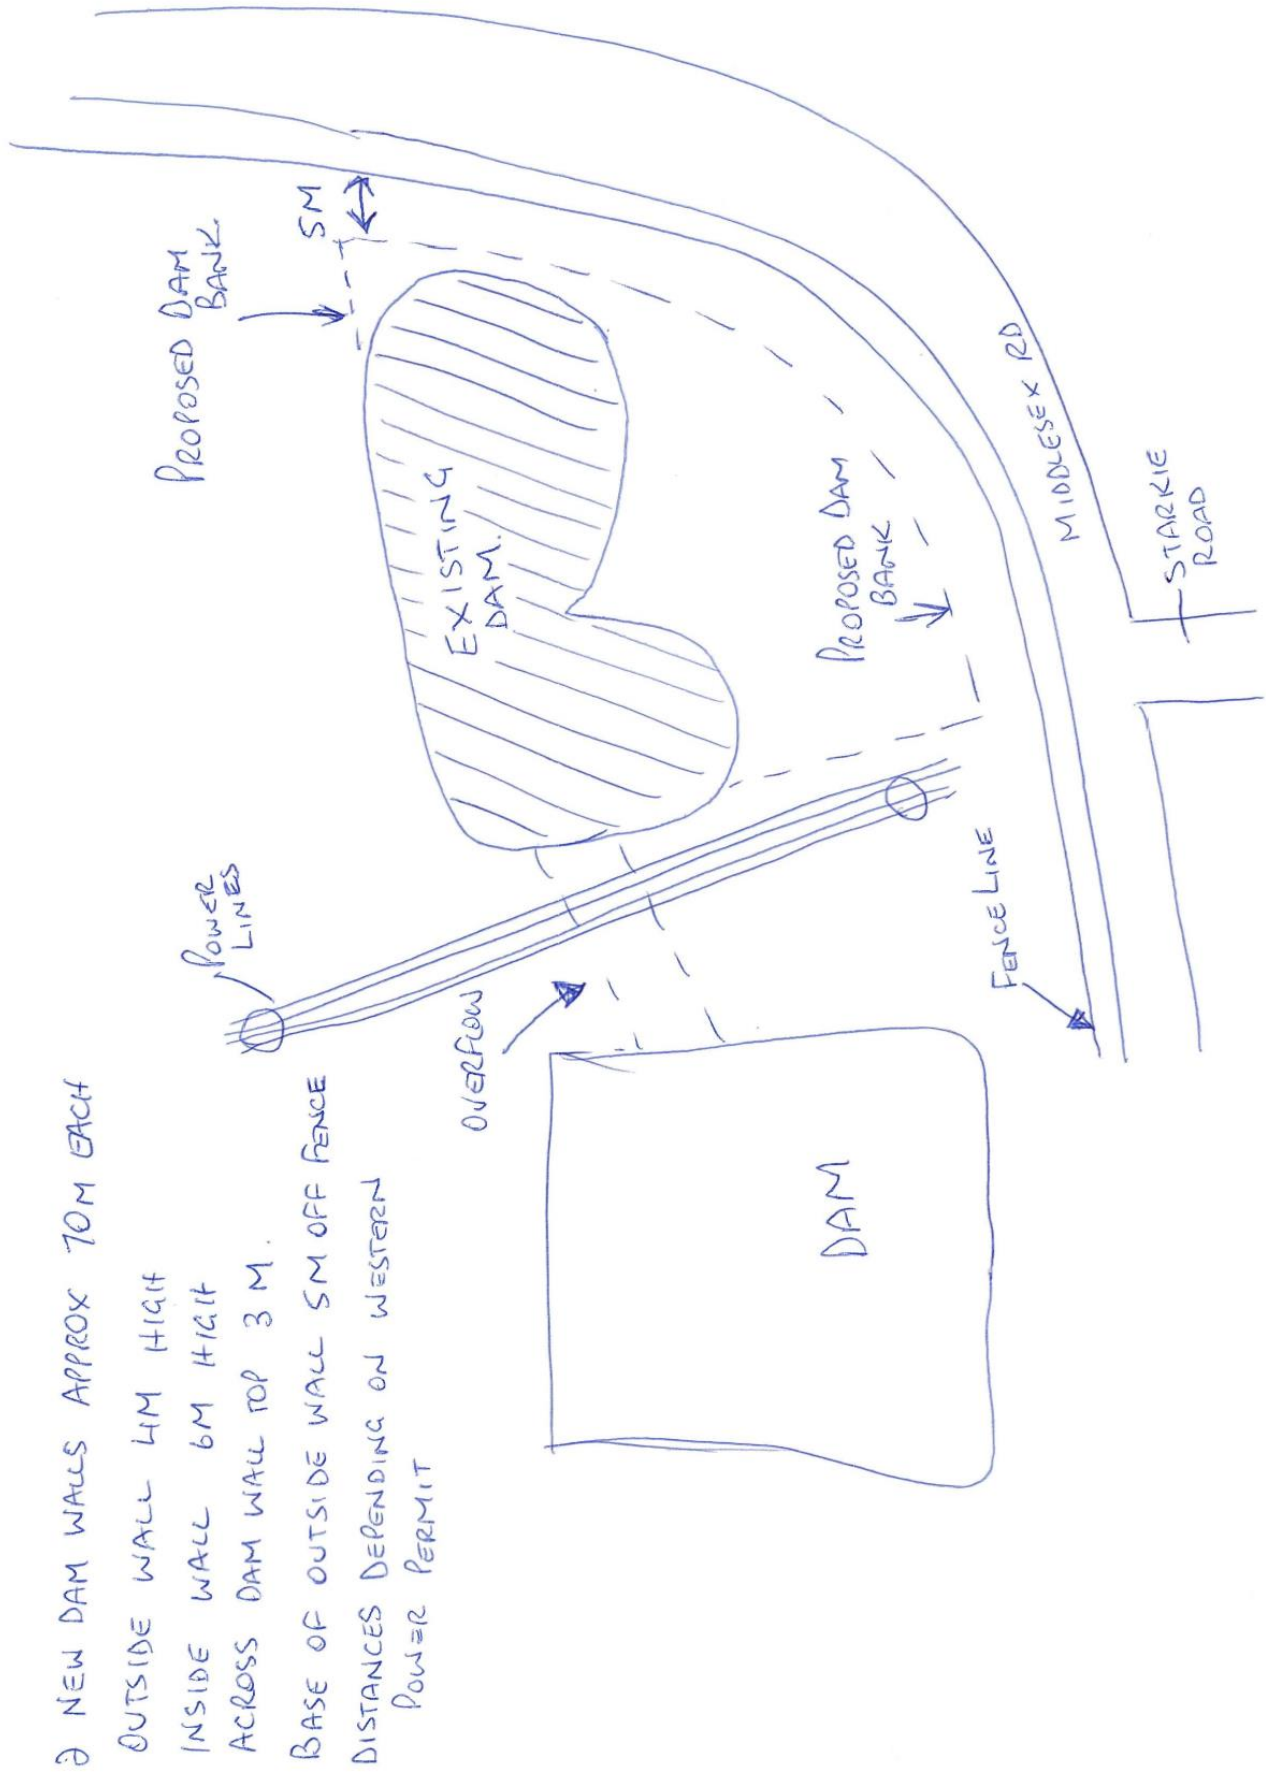

(d) What are the dimensions of the proposed dam?

- Width: 70 M
- Length: 70 M
- Depth: AVERAGE 4 M
- Height of the top of the dam wall in relation to natural ground level, including :
 - Inner dam wall height: 6 M
 - Outer dam wall height: 4 M

<p>(e) Any clearing of vegetation required? (DWER Permit?):</p> <p style="text-align: center;">NO</p> <p>(f) If Yes, please justify why you have chosen a location which requires clearing?</p>
<p>(g) A Management Plan outlining the proposed method to stabilize soil to avoid erosion when constructing the dam and when it is completed:</p> <p>A MACHINE OPERATOR WITH DAM BUILDING EXPERIENCE WILL BE CONSTRUCTING THE DAM</p>
<p>(h) How many dams are located within a one (1) kilometer radius of the proposed dam?</p> <p style="text-align: center;">3</p>
<p>Any further information:</p> <p>DAM TO BE SET BACK FROM POWERLINES ACCORDING TO WESTERN POWER REQUIREMENTS</p> <p>WE GIVE A COMMITMENT TO ADJUSTING THE BOUNDARY OR AMALGAMATING THE LOT INTO ADJOINING TITLE SO THE DAM IS ON A SINGLE TITLE WITHIN EIGHTEEN MONTHS OF APPROVAL.</p>

- ☒ Site Plan – Scaled showing the location of the dam and accurate setback distances to property boundaries, contours and the location of neighboring dwellings and/or structures and effluent systems.
- ☒ Scaled drawing showing the dimensions of the dam, including the length, height and width of the dam wall. Also the location of an ancillary structures, such as spillways, pumping equipment, etc.

Subject: Enquiry Advice requested DA22/196 L9782 Middlesex Rd Middlesex

Dear Customer Liaison Officer,

Thank you for your submission to Western Power for Ref: Advice requested DA22/196 L9782 Middlesex Rd Middlesex

Unfortunately requests for general comments, feedback and approval for proposals can't be provided for without application and the investigation and dialogue that allows.

We suggest:

- ☐ Reviewing your query against the processes referred to in our [Strategic Planning](#) web page
- ☐ Where a change of land use, or permanent road closure will affect our ability to access our infrastructure for maintenance or in an emergency, the original accessway or an alternative must be maintained. Changed access conditions should be communicated via our [Land entry preferences form](#),
- ☐ Use our provided mapping tools and ["Before You Dig"](#) to locate any assets that would be affected by any proposed change or development,
- ☐ If there are transmission assets (66,000VOLTS-330,000 VOLTS) in proximity to your work, apply via our [move or remove transmission and communication assets](#) form,
- ☐ Ensuring any developers involved are aware that they will need to make an application to deal with any assets that are in the development area as well as for the power requirements for the development.

Thank you and we look forward to receiving your information/applications through the correct channels.

Kind Regards

Kate

Attention: Miss K E Blee

RE: Proposed dam at Lot 9782 Middlesex Road Middlesex

Dear Miss Blee,

Thank you for providing the above proposal for the Department of Water and Environmental Regulation (Department) to consider.

This proposal is for 15ML dam on Lot 9782, which is located over a cleared area (Screenshot 1).

Please be advised this proposed dam is not supported on the basis the surface water resource is fully allocated (see recommendations below):

The proposed off-stream dam is located within the Warren River and Tributaries Surface Water Area as proclaimed under the *Rights in Water and Irrigation Act 1914* (RIWI Act). Where this dam does not interfere with the bed and banks of a watercourse, it is not subject to regulation by the Department under the RIWI Act provided that the taking of surface water does not, in the department's determination, sensibly diminish stream flows in the watercourse. The proposed taking or diversion of surface water in this proclaimed area (such as by pumping from the watercourse, or diversion of the watercourse, to supplement the dam) will be subject to licensing.

DWER notes the on-stream dam on adjacent Lot 4 to the south is unlicensed (Screenshot 2), and it appears that water from this dam will overflow into the proposed off-stream dam at Lot 9782 (Screenshot 1). Both subject Lot 9782; and Lot 4 are under the same ownership.

Recommendations: In view of the above situation, DWER advises:

- The unlicensed dam at Lot 4 would require a license under the RIWI Act (due to its location on a watercourse)
- As the dam at Lot 4 is historic, DWER is able to grant a license for the dam at Lot 4 only
- The proponent is therefore required to apply for a license from DWER for the dam at Lot 4 by contacting its Bunbury office licensing branch on 97264111

- **However, due to the surface water resource being over-allocated, DWER does not support the proposed dam at Lot 9782**

In the event there are modifications to the proposal that may have implications on aspects of environment and/or water management, the Department should be notified to enable the implications to be assessed.

Should you require any further information on the comments please contact the undersigned.

Thank you.

Yours sincerely,

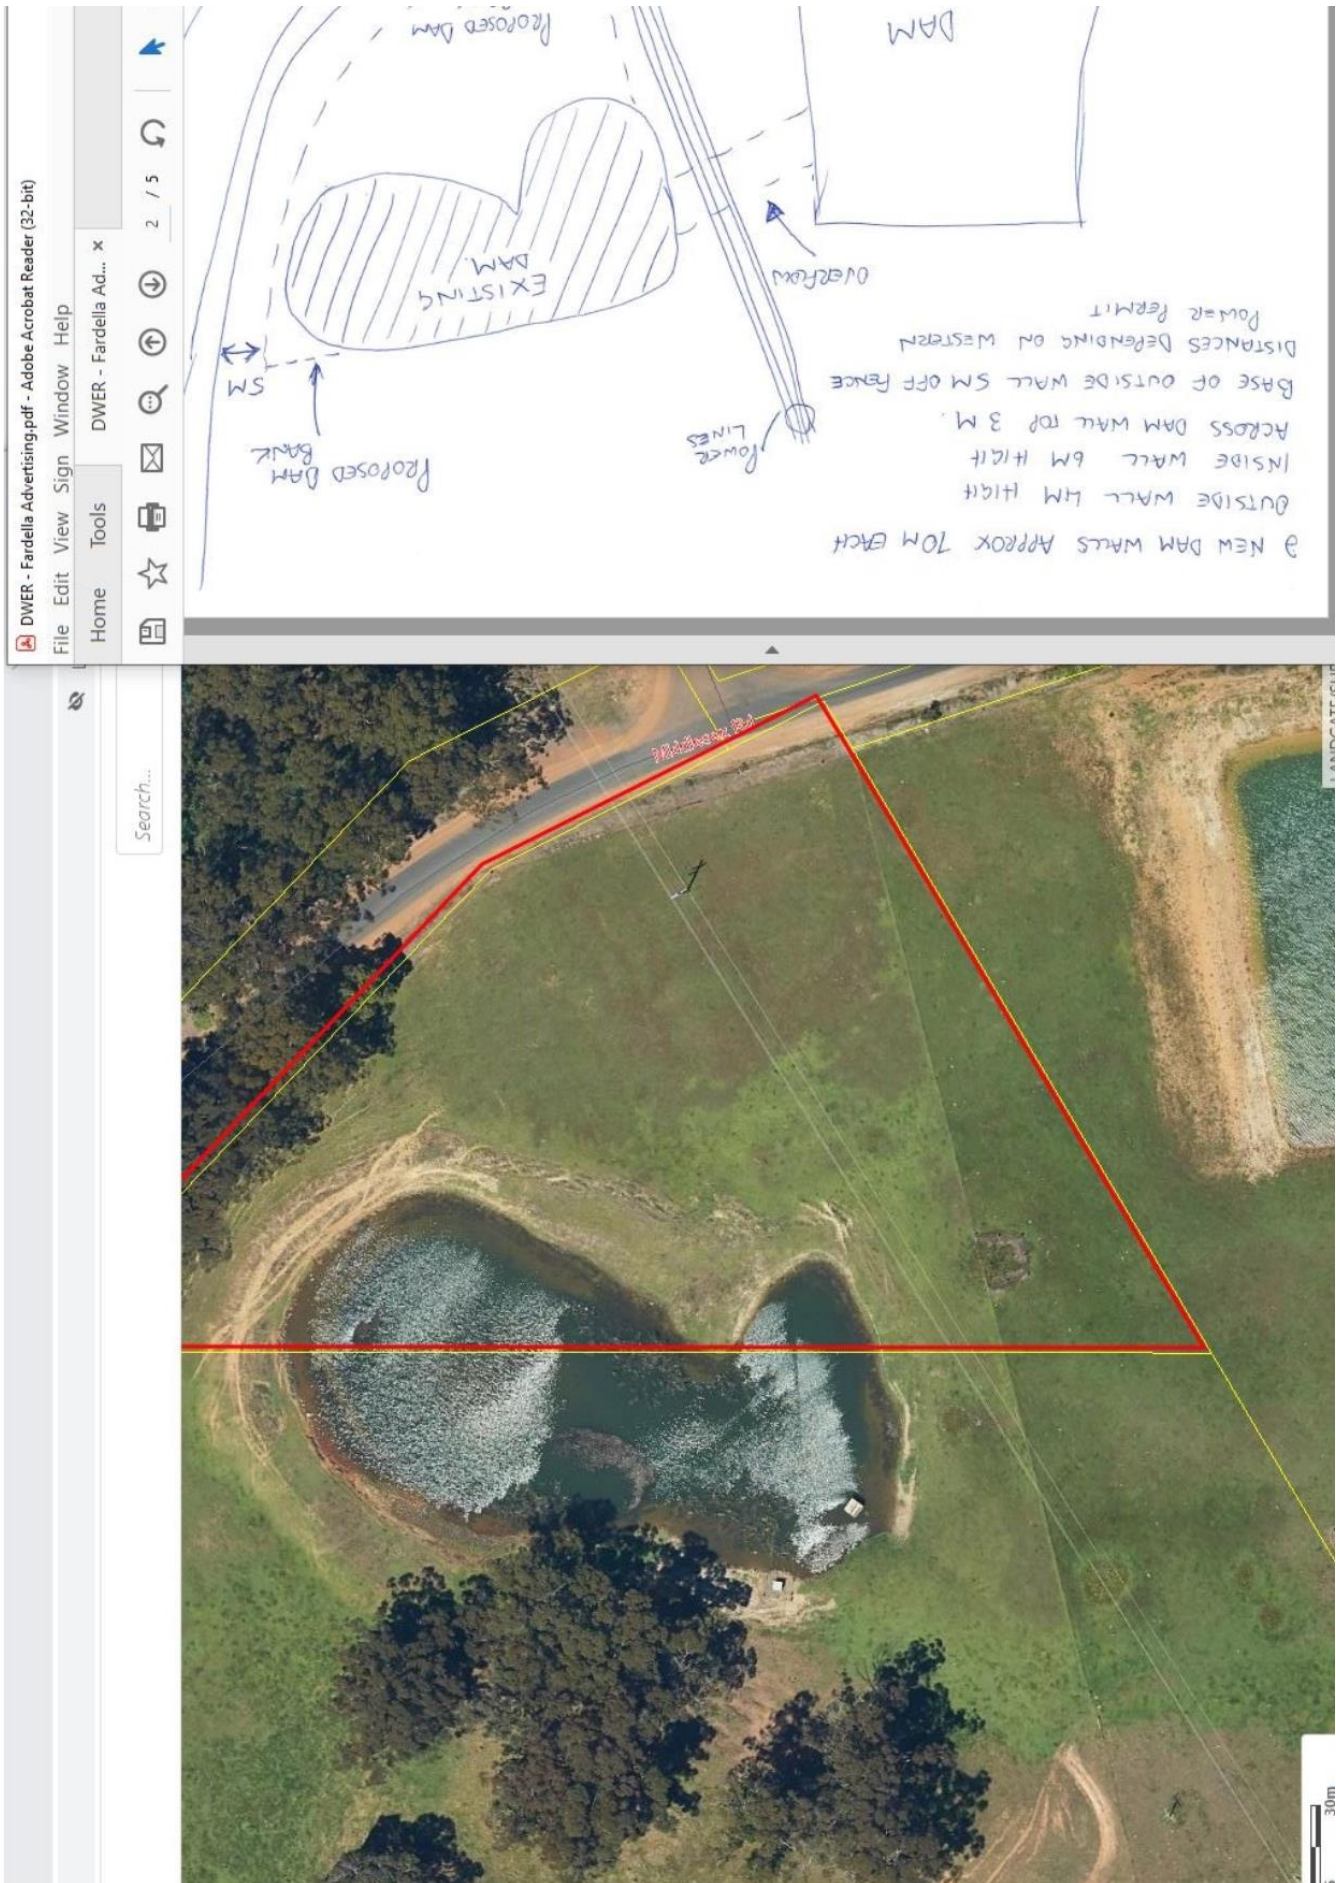

Daniel Wong

Shire of Manjimup
ADDITIONAL INFORMATION FOR DAM CONSTRUCTION
 PO Box 1 Manjimup WA 6258
 Phone: (08) 9771 7777 Fax: (08) 9771 7771

ALL SECTIONS MUST BE COMPLETED

To be completed in addition to the Application for Development Approval Form

Description of property upon which the Dam is to be proposed including full details of its proposed position within that property:

160 acre undulating property with good soil and consistent rainfall. Currently has a small soak and small dam at the front. Water is pumped from the soak to a header tank then gravity fed across the farm to troughs for cattle and sheep. The new spring rights dam will be located on the south eastern corner. It will capture water from the spring located north and uphill of the area. It is not part of a water course or tributary.

(a) Purpose of the Dam:
 The dam is multipurpose but will provide improved water to stock with potential to expand into horticulture, domestic and garden use, fire emergency management, improved property value and wildlife protection (an island will be incorporated to protect animal life and improve ecology to the area). Currently very boggy, and unproductive. The head of the new dam will be rehabilitated with endemic plant species including sedges to reduce silt inflows.

(b) Which of the following definitions best describe the proposed dam?
☒ On-Stream Dam – Means a dam located across a watercourse
☐ Off-Stream Dam – Means a dam not located across a watercourse but into which water is fed from a watercourse.
☒ Catchment Dam – Means a dam not located across a watercourse which receives rainfall and/or groundwater seepage only.

Please note that Department of Water and Environmental Regulation (DWER) approval may be required if the proposed dam captures water from an existing streamline. Contact your local DWER office.

(c) What is the proposed capacity of the dam?
 50-65 ML

(d) What are the dimensions of the proposed dam?
 • Width: 30m
 • Length: 340m
 • Depth: 5m
 • Height of the top of the dam wall in relation to natural ground level, including :
 ○ Inner dam wall height: 5m
 ○ Outer dam wall height: 6m

Soil Erosion Management Plan

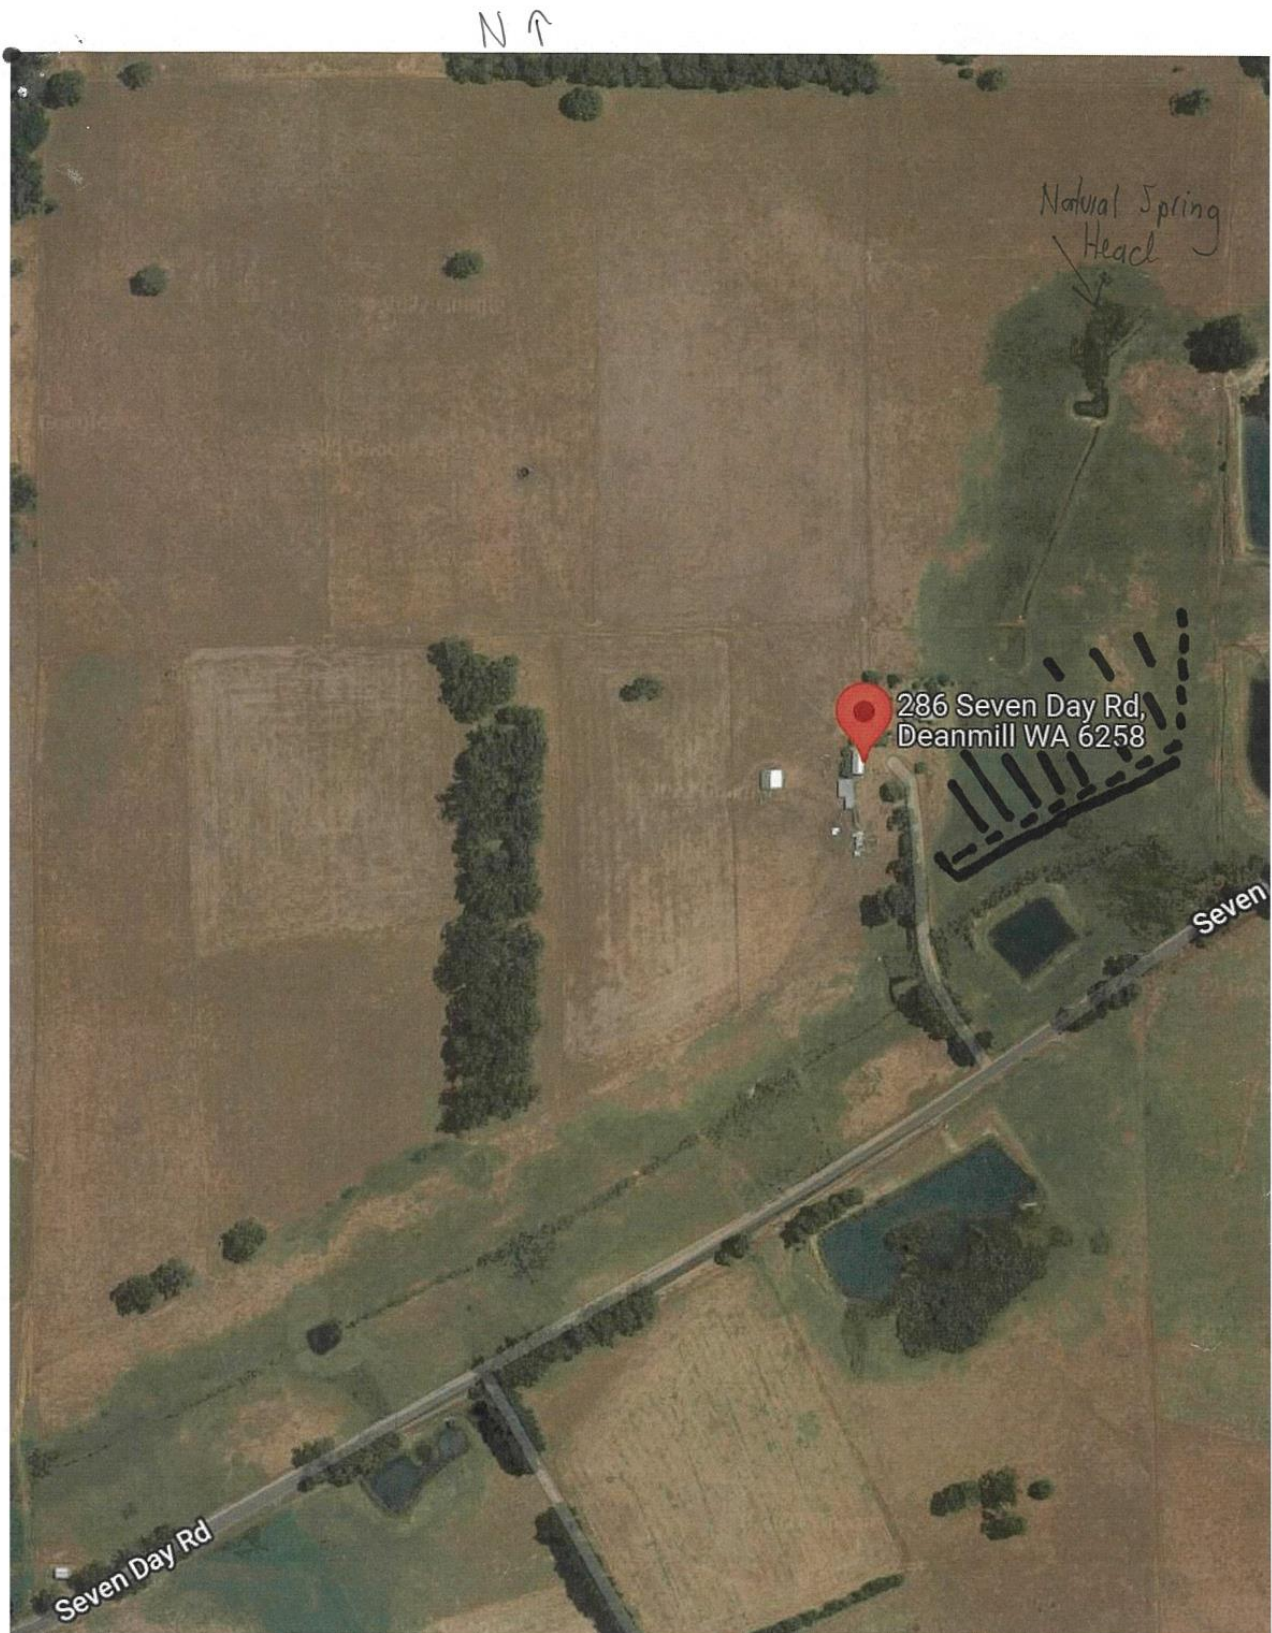

Soil erosion is a large issue with any type of earth works, soil erosion is caused by wind, rain, animal traffic and machinery traffic.

Brooks Contracting endeavours to minimise all types of soil erosion.

Listed are steps to be taken to minimise soil erosion.

- Push topsoil to back of wall or stockpile soil for rehab at dam completion.
- 3 in 1 batters to reduce water runoff.
- Rehab back batter and roadway with topsoil.
- Spill topsoil down front batter to water line to reduce wave erosion.
- Place topsoil through dam spill way.
- Track back batter with dozer or roller to create dimples in topsoil to reduce water runoff.
- Advise farmer to fence off dam from livestock for the first year and irrigate topsoil if possible.

Liam Brooks

Attention: Miss K E Blee

RE: Proposed dam at Lot 2716 on plan 127747 Seven Day Road Deanmill

Dear Miss Blee,

Thank you for providing the above proposal for the Department of Water and Environmental Regulation (Department) to consider.

This proposal is for a 50-65 ML dam – noting the proponent is claiming spring rights.

The dam as described in the application is not supported in its current form.

This is due to the following matters that require consideration/evidence for ‘spring rights’ exemptions:

- The proponent must be able to demonstrate the yield from the ‘spring’ is 50-65ML – which has **not** been done
- The ‘spring’, where present, must be at the head of the watercourse and the yield can only be from that location/point (**this is a good time to make this observation**).
- Importantly, it must be noted that intermediate natural rising and flowing of groundwater within the watercourse below this point is not exempt.
- Inundating or excavating the ‘spring’ invalidates the exempt status of the water
- The proposed dam cannot capture water from the property to the east as this is regulated.

As such, the following is advised for the proponent to consider:

- the Upper Lefroy resource is fully allocated, and no new licenced water is available
- the current dam up stream would satisfy the above description of the exemption, which can be used to assist the proponent gathering the required information to support the proposal:
 - this current dam has an overflow pipe that could be used to determine the volume of discharge, via metering over a twelve-month period.
 - the volume determined under metering can then be compared to the volume of the existing dam.
 - if more water is discharged than the volume of the dam, the dam could be enlarged to accommodate the additional volume.

- works can only be undertaken under S17 permit (under the *Rights in Water and Irrigation Act 1914*) (RIWI Act)
- all supporting information (such as but not limited to meter records) must be supplied to the satisfaction of DWER.
- infrastructure is required to prevent proclaimed water from entering the dam if the modification as to above is approved by DWER.
- a Riparian dam, not exceeding 8ML *may* be supported, noting:
 - the dam would only be permitted for stock and domestic use; and commercial use would not be permitted.
 - a S17 Permit would be required from DWER under the RIWI Act
 - any Riparian dam would need to include the volume of the two smaller dams, one up-stream & one on the southern tributary. That is 8ML less the two smaller dams.
- the proponent is advised Trade or Transfer could be found only in the Upper Lefroy catchment.

Historic use dam (separate to this DA)

- it is not clear if the channel identified in the below image (circa 2020) is in or out flow. The southwestern corner appears to also have outflow.
- If the identified channel is an inflow, then a licence is required under historic use – noting the dam constructed before 2007 (based on circa 2007 imagery) (see image below).

Should the proponent of Shire require further clarification, please contact the Bunbury water licensing branch on 97264111.

In the event there are modifications to the proposal that may have implications on aspects of environment and/or water management, the Department should be notified to enable the implications to be assessed.

Should you require any further information on the comments please contact the undersigned.

Thank you.

Yours sincerely,

Daniel Wong

Smith (Principal MESC) J. Stocks (Local Area Coordinator APM) S. Markotis (Shire of Manjimup – Minutes)
4	Declaration of Financial Interest <ul style="list-style-type: none"> Nil
5	Confirmation of Minutes Minutes from the Access & Inclusion Committee Meeting on 10 November 2022 were accepted at this meeting as a true and correct record. Moved: Cr. Kim Skoss Seconded: Danielle Mottram CARRIED

6	<p>Council Decisions on Committee Recommendations</p> <p>Ordinary Meeting</p> <p>COUNCIL RESOLUTION:</p> <p>MOVED: Taylor, R SECONDED: Dawson Vidovich, S</p> <p>28992 That Council:</p> <ol style="list-style-type: none"> 1. Receive the unconfirmed Minutes and Action Items of the Access and Inclusion Advisory Committee meeting held 10 November 2022 as shown in Attachment 9.16.1(1) and Attachment 9.16.1(2); 2. Adopt the amended Terms of Reference of the Access & Inclusion Advisory Committee as per Attachment 9.16.1 (3); and 3. Approve the purchase of a GLIDE wheelchair, for mobility impaired visitors to use whilst in the Manjimup Heritage Park, from the allocated 'Implement – DAIP' approved budget of \$2000, subject to the Manjimup Visitor Centre agreeing to host the wheelchair and coordinating access. <p style="text-align: right;">CARRIED: 11/0</p>
7	<p>Business Arising from Previous Minutes</p> <ul style="list-style-type: none"> • Refer to updated Action Sheet.
8	<p>General Business / New Matters</p> <ul style="list-style-type: none"> • Cr. KS shared a new resource developed by the University of Notre Dame. The <i>Health Care for People Who Need Extra Support</i> health literacy guide was developed by Dr Rachel Skoss and is useful for those caring for people who need extra support due to cognitive impairment or intellectual disability. Cr. KS asked whether the Shire would be interested in printing copies for distribution to relevant groups and individuals. There is no copyright on the guide and it is available in a pdf format: https://www.notredame.edu.au/_data/assets/pdf_file/0025/327463/Health-Care-Guide.pdf GIC suggested sharing the pdf resource to NDIS providers and practice nurses. The committee is also encouraged to on-share. If printing is requested then the cost could be looked at. CS noted that the Department of Education are not generally supportive of resources that haven't been developed by the Department of Health, however Cr. KS noted that the resource was funded by the Department of Health. • JS shared information about some of the projects she is working on. She has recently started working in her role and is working on early childhood and early intervention supports. She is currently undertaking project work through consultation with people with disability, local government and not for profits. In Manjimup and further south plans have been focused on mental health, access services and access groups. JS would like to works with sporting and social clubs to help people with disabilities be included in those communities. She is currently looking at developing support groups for carers to assist with capacity building. JS is keen to partner with the committee. • MH noted that she is having difficulty hearing the committee due to a hearing impairment.

	<ul style="list-style-type: none"> MH raised a concern about the accessibility of footpaths in the main street. She has a van with a rear-loading mechanism and recently had to wheel herself about 30-40 yards along the road on the main street behind the parked cars in order to access a ramp off of the footpath. On occasion she has had to use the crossings (speedhumps) to enter the roads. MH suggested that there is a need for an additional two ramps in between the existing ramps on the main street. She also noted the need for more or improved footpaths along Manjimup Recreation Grounds and around Maxwell Street. CS will be in the role of Principal of Manjimup Education Support Centre for the next 12 months while Ross Davidson is away. CS is happy to take on the disability support services representative position on the committee during this period. GIC moved the following motions for Council consideration; <ul style="list-style-type: none"> That Council accept the resignation of Ross Davidson from the committee. Moved: G. Ipsen Cutts Seconded: S. Alexander CARRIED That Council endorse the nomination of Chris Smith in the Disability Support Services (Principal Manjimup Education Support Centre) representative position. Moved: G. Ipsen Cutts Seconded: S. Alexander CARRIED JS would like to join the committee. The committee understands that There With Care Support Solutions has withdrawn from Manjimup, meaning the representative position held by Amy Rudd is unclear. GIC will investigate their ongoing representation on the committee and recommends to either replace the There With Care representative position with JS, or alternatively create a new position for JS. <i>Since the meeting GIC has confirmed that There With Care have ceased operating in Manjimup and will no longer be attending this committee.</i> GIC moved the following motions for Council consideration; <ul style="list-style-type: none"> That Council accept the resignation of Amy Rudd from the committee. Moved: G. Ipsen Cutts Seconded: S. Alexander CARRIED That Council endorse the nomination of Jasmine Stocks from APM in the Disability Support Services representative position. Moved: G. Ipsen Cutts Seconded: S. Alexander CARRIED Coralie Peet has advised that Tyler Della Franca (Occupational Therapist) would like to fill the vacant WACHS proxy representative position on the committee. GIC made the following motion for Council consideration; <ul style="list-style-type: none"> That Council endorse the nomination of Tyler Della Franca in the WA Country Health Service (proxy) representative position. Moved: G. Ipsen Cutts Seconded: Cr. Kim Skoss CARRIED Ethan Stokes advised the group that Building Services have purchased and are awaiting the installation of the accessible toilet kit at the Manjimup Indoor Sports Pavilion and they are also looking at installing a new hand rail for the access ramp. MH asked if any upgrades had occurred at the AquaCentre. She has previously reported issues with moving the shower head in the accessible bathroom to the correct height as it is jammed and is very rusty. This has been reported to the
--	--

	<p>AquaCentre and also at a previous meeting. This will be investigated (added to Action List).</p> <ul style="list-style-type: none"> • GIC noted that the Shire's Access and Inclusion Plan is in its final year. A copy of the Plan was provided to all present committee members. GIC requested that the committee review the Plan and provide comments at the next meeting. • SA advised that Home and Community Care have a waiting list of clients and are short staffed. GIC explained that recruiting staff is difficult due to the lack of accommodation available in Manjimup. Community needs and expectations are growing and the challenge of recruiting human resources is proving difficult. • MH mentioned that United (disability service provider) have provided her excellent service in the past. • For the benefit of the new committee members GIC explained the Shire's Property Care Team. The group of young men was previously employed by Activ Industries which disbanded, after which the Shire took the group on and became a NDIS employer. The team provide private works throughout the Shire. • Cr SDV advised that Disability Sports Australia have recently released an Accessibility Champion course – a 1.5 hour course with 4 modules. The course has been designed for clubs and groups that are new to the disability space. This will be distributed to the Shire's club database. More information can be found here: https://www.sports.org.au/accessibility-champion. • Cr. SDV noted that ABC iView has released a series of shorts videos following International Day for People with Disability. The videos can be viewed here: https://iview.abc.net.au/collection/1652. • Cr. SDV brought the Department of Social Services Ability Apprenticeship Program to the attention of the committee. The program is designed to create pathways for people with disability into jobs in the public sector. Applications for the current round close on 10 February so this is something to keep an eye on for the future. More information can be found here: https://www.dss.gov.au/careers/ability-apprenticeship-program. • Cr. SDV advised that the Terms of Reference on the website are not current. • GIC reported that some minor and major works have been undertaken across the Shire to increase accessibility over the past year, including; <ul style="list-style-type: none"> ○ new toilets in Pemberton; ○ new Pemberton colocation meeting all accessibility compliance; ○ progressing with new toilets in Walpole – although contractors are currently unavailable for completing the paving seal; and ○ works at Library in Manjimup (complete). • GIC mentioned that a lot of criticism is received by the Shire regarding accessibility of local businesses. The Shire is unable to enforce any changes to the accessibility of buildings unless the business is completing construction works. It is worth noting that a lift for upstairs in Brockman Street has arrived but is awaiting availability of contractors to install.
--	---

	<ul style="list-style-type: none"> MH asked if there is a way to stop people from using disability toilets. GIC explained that this is not legislated.
9	Meeting Closure Cr. SDV declared the meeting closed at 11:20am.
10	2023 Meeting Dates The below dates are proposed for the 2023 year, based on staff availability and no clashes with Council meetings: <ul style="list-style-type: none"> 10am, Thursday 18 May 10am, Thursday 10 August 10am, Thursday 9 November

Access and Inclusion Advisory Committee - Action Items as at 2 February 2023

Item	Description	Updated Status	Responsibility	Action by
1.	Accessible Playground Equipment Manjimup Heritage Park	<ul style="list-style-type: none"> GIC has received some quotes for accessible equipment. Still awaiting formal confirmation of funding from Windmill Farms as part of their proposal to wind-up operations. Playground development concepts in Pemberton and Walpole include accessible play as part of the scope. 	G Ipsen Cutts	Ongoing
2.	Fencing Manjimup Heritage Park	<ul style="list-style-type: none"> Investigating the option of a 'barrier' between water and playground. This is to impede access to water by runaway children to give carer more time to stop the runaway. Feedback from Manjimup Macedonian Club is that they would like to be involved in some historic display within the Park. Idea around creating timeline on involvement of our people displayed on some screening idea to act as both educational and 'barrier'. Further need to investigate funding options and costs. 	G Ipsen Cutts S Roberts (Parks Manager)	Ongoing
3.	Old School Site Manjimup – Cherry Glades Housing development	<ul style="list-style-type: none"> 1st stage fully sold. Stages 2 & 3 will meet gold standard. Conversations are continuing with the Shire of Manjimup and Ministers and Premier on the future of affordable housing in Manjimup. 6 new Modular homes are now on site and should have people housed in them in the next coming weeks. The Shire are still negotiating with the Government on ownership and management on the west side of the site. Parked by the government. 	G Ipsen Cutts	Ongoing
4.	Communication Access - Introducing PODD communication in the Shire of Manjimup	<ul style="list-style-type: none"> DM suggested she works collaboratively with a Shire representative on moving forward with progression of PODD communication in the Shire. Originally suggested the AquaCentre as a start point as it is a high use facility for people with a disability and the MESC students. RD and DM supportive to provide some smaller scale PODD communication to AquaCentre and retail spaces as they arise. 	J Stocks D Mottram G Ipsen Cutts	Ongoing

Access & Inclusion Advisory Committee Action Items

page 1 of 2

		<ul style="list-style-type: none"> Committee supportive of AquaCentre as a starting point. JS to speak with Outloud in Bunbury and DM to look into costs/copyright for local governments. Once implemented at the AquaCentre, look into implementing at libraries and installation of communication board in playground at Heritage Park (budget to be determined). 		
5.	AquaCentre Bathroom Shower	<ul style="list-style-type: none"> MH reported issues with moving the shower head in the accessible bathroom at the AquaCentre to the correct height as it is jammed and is very rusty. GIC to investigate. 	G Ipsen Cutts	

Current Parked Ideas

- Attraction Package Concept** - Proposal to develop a promotional package that will attract Retirees – Tree Changers. Seniors Housing Site in Manjimup should be included in promotional material.

Operational Items

- Inclusive Equipment in Playgrounds Audit** – S Markotis is updating website and will include information on accessibility within our playgrounds.
- Manjimup Footpaths** – Shire's Community Services Department to maintain spreadsheet of current areas of concerns. Group encouraged to take photos and email them through so they can be captured.

ACCESS AND INCLUSION ADVISORY COMMITTEE TERMS OF REFERENCE

Status:	<u>Advisory Committee</u>
Members:	2 Councillors Director Community Services Building Services Manager, Technical Services NDIS Coordinator, Home and Community Care 3 Disability Services Sector Community Health Industry Representative 4 Community Representatives (Total 13)
Proxies	1 Manager, Home and Community Care 1 Manager, Building Services 1 Disability Services Sector 1 for the WA Country Health Service (Occ. Therapy Manjimup)

Mr David Tapley	Community Representative

**SHIRE OF MANJIMUP
PEMBERTON TOWN ACTIVATION ADVISORY COMMITTEE**

Minutes from the meeting of Pemberton Town Activation Advisory Committee held at Pemberton Mill Hall on Tuesday, 7 February 2023.

1. DECLARATION OF OPENING OF MEETING & ANNOUNCEMENTS

Cr Ventris declared the meeting open at 12.33pm.

2. ATTENDANCE

Members Present

Cr Murray Ventris	Councillor
Cr Ken Lawrence	Councillor
Brian Robinson	Director Development and Regulation
Andrew Johns	Proxy for Director Works and Services
Jill Baker	Pemberton Arts Group Representative
Ardal Nigg	Community Representative
Joel Lawrence	Community Representative
Nicole Booth	Minute Taker

APOLOGIES

Michael Leers	Director Works and Services
Gail Ipsen Cutts	Director Community Services
	Events Administration Officer
Mitchell Goddin	Community Representative

3. GUESTS

4. DISCLOSURE OF INTERESTS

Members are to advise to declare possible financial interest.

5. ADOPTION OF PREVIOUS MINUTES

Recommendation

"That the Pemberton Town Activation Committee acknowledge the informal meeting notes of 30 November 2022 and the minutes of the meeting held on Tuesday 2 August 2022 be adopted as a true record of proceedings."

MOVED: Ardal Nigg

SECONDED: Joel Lawrence

CARRIED 6/0

6. DECISIONS BY COUNCIL ON COMMITTEE RECOMMENDATIONS

Nil

7. MATTERS ARISING FROM PREVIOUS MINUTES

7.1 Actions from PTAC Workshop.

Results from Workshop	Timeframe	Priority	Actions to date
Creation of car park strategy including audit for Pemberton	6 months	1	Car Park Strategy presented to Committee, requires further details
Re-design and construct 'Hotel' car park	6-12 months construction	1	Picnic shelter delivered, awaiting installation by qualified builder
New Toilet Block	6 months	1	Waiting on Western Power
Art Trail	Ongoing		PAG To consider what markers for trails.

- ‘Hotel’ car park - Footings for picnic shelter are complete, shelter has been delivered, builder has been appointed.
- New toilet block – Western Power booked for 20th & 21st February 2023. Toilet block could potentially be open by the end of February.
 - The Community have a lot of questions about the opening time issues with the toilet block. Shire staff requested to lodge a public announcement in the Pemberton newsletter PCN without harming the local contractors, with an explanation, and an “open soon” notice.

7.2 Mural Walls in Pemberton

- West wall of Fox Butchers
- East walls of the “Hub” both Art wall and H&H wall
- West wall of the toilet block
- East wall of the basketball courts at the club rooms
- Front face of the RSL Library building
- Rammed earth vertical wall, left of stairwell at Pemberton Hotel.

Jill Baker requested clarification regarding the process and where funding for the murals is obtained.

In terms of the process, the Director of Development & Regulation advised the following based on past experience with murals, that:

- a) The Shire’s approval as landowner is required on Shire buildings and would potentially liaise with lessee’s. As a minimum there would be the need for a scope of works/design concept required for permission to be sought;
- b) Local government is restricted by procurement procedures which prevents a direct approach to a specific artist. The Shire would need to seek quotes;
- c) Local arts groups are not subject to the restrictions and it may be better positioned to be lead agency;
- d) The Arts Group to also liaise with local businesses (properties not owned by Council) where art work is to be painted ie agreement on theme / artwork and installation of mural;
- e) Normally proposal would be presented to Council once considered by this committee. Council may require the proposals to be advertised for public comment.

In terms of funding, potential funding could be sought through the Community Grants Program (managed by Gail Ipsen Cutts) or Town Revitalisation funds which are allocated annually. In the past the Shire has auspiced grant application and the Shire could assist in identifying suitable external funding opportunities.

The Director also indicated that if the project was to be considered as part of the budget process, then it would need to be submitted before June.

RECOMMENDATION

That the Pemberton Town Activation Advisory Committee support Pemberton Arts Group as the lead agency of this mural project and the Pemberton Arts Group will liaise with local businesses where murals are to be installed, consult with the Community with regards to the theme of the artwork, set design parameters for the project, investigate potential artists, all for review and consideration by this Committee.

MOVED: Brian Robinson SECONDED: Joel Lawrence CARRIED 6/0

7.3 Road Infrastructure Advisory Committee (RIAC) Funding

Andrew Johns advised the unallocated funds from Round 3 Funding which have been allocated to the following two projects, has been approved by the Federal Government and tenders are out at the moment. Funding to be acquitted in 2022/2023 budget.

- \$20,000 Speed Indicator Device
- \$60,000 Replacement Brockman Street footpath and new section from Pemberton Mill Hall to Club Road.

7.4 Brockman Street Park Masterplan

The Brockman Street Park Masterplan was presented to the Committee. The Committee noted the inclusion of solar bollard lighting and inclusion accessibility compliant access. Committee discussed prioritising Stage 1 because of the accessibility inclusion components. The current playground is shortly due for replacement.

Brian Robinson wanted the Committee to be aware of vandalism of solar lights at other localities through the Shire with overhead lighting may be preferable. A trial of overhead lighting at Windy Harbour has been extremely successful.

Cr Ventris suggested the Committee endorse these plans for Council approval to then commence with grant applications to get the project moving.

RECOMMENDATION

That the Pemberton Town Activation Advisory Committee approve the Brockman Street Park Masterplan and request Council to consider approving funds for the project as part of its 2023/24 budget deliberations.

MOVED: Cr Murray Ventris SECONDED: Joel Lawrence CARRIED 6/0

8. PRESENTATIONS

8.1 Brockman Street Park Masterplan

See above at 7.4

9 NEW BUSINESS

General Committee discussion regarding Committee numbers and quorum, attendance, possible new Committee Member and Terms of Reference.

10 NEXT MEETING – to be advised date, time and location – May 2023

11 MEETING CLOSURE: 1.14pm
